E. 72(t)/72(q) Payments

- Check box if preauthorized withdrawal is establishing or continuing a series of substantially equal periodic payments under IRC72(t) or 72(q) not calculated by Pacific Life. If you elect 72(t) or 72(q) payments, you bear the risk of any modification made and your source funds depleting (causing your payments to cease). Modifications may subject the series of 72(t) or 72(q) withdrawals to a retroactive 10% additional tax and may occur if additional purchase payments to or withdrawals from the contract are made or 72(t)/72(q) withdrawals are increased, decreased, or stopped. Exceptions continue to apply in the case of an annuity that satisfies the required minimum distribution rules. You are fully responsible for all resulting tax consequences. 72(t)/72(q) payments will not be taken from GIOs.

4 INCOME TAX WITHHOLDING – To avoid default tax withholding, complete this section.

For Non-Qualified and IRA contracts, we withhold a minimum federal amount of 10% and forward applicable taxes to the Internal Revenue Service (IRS) on your behalf, or you can elect to not have us withhold taxes. To withhold a federal amount other than 10%, you must submit the IRS Form W-4R with this request. You can obtain a Form W-4R by visiting the IRS website at www.irs.gov or Pacific Life's website at www.PacificLife.com. If a W-4R is not submitted, less than 10% federal election is requested, or no election is made below, the withdrawal will be processed with 10% withholding.

If you have a TSA/403(b) contract, we will withhold 20% for a withdrawal or rollover where you take receipt of funds. (We will withhold 10% for substantially equal period payments from your TSA/403(b) contract unless otherwise specified). However, if you transfer or directly roll over the funds to another TSA/403(b), qualified plan, or IRA, withholding is not required. If you have a 401a, 401k, Keogh or custodial-owned contract, taxes cannot be withheld.

In addition to federal income tax withholding requirements, state income tax, if applicable, will be withheld. Choosing not to have either federal or state (if state tax is applicable) income taxes withheld may result in income tax liability when your taxes are filed. Consult your tax advisor for more information.

I elect the following: Federal: [ ] Do not withhold [ ] Withhold default State: [ ] Do not withhold [ ] Withhold \_\_\_\_\_ %

5 CHECK AMOUNT (not applicable for full surrenders) If not specified or the withdrawal amount is a percentage, a withdrawal for the gross amount will be processed.

- [ ] Gross Applicable charges, taxes, and any adjustments will be deducted from the requested amount.
[ ] Net Applicable charges, taxes, and any adjustments will be added to the requested amount (not available for percentage withdrawals).

6 SOURCE (not applicable for full surrenders)

If you want the withdrawal taken from specific investment options, write the name of the investment option(s) in the section below. You must also indicate the amount to be withdrawn from the investment option(s) as either a whole percentage or dollar amount (but not both). Make sure that percentages total 100% and dollar amounts total the entire withdrawal. A GIO cannot be the source account for preauthorized withdrawals. To have the withdrawal taken proportionately from all of your investment options, leave this section blank.

Please refer to the prospectus for a complete list of all available investment options and the impact of fund specific withdrawals on your contract. For additional investment options, attach a separate sheet signed and dated by all owners including the information requested below.

7 DISABILITY If you become disabled before you reach age 59½, any distribution because of your disability may not be subject to the 10% additional tax. You are considered disabled if you can furnish proof that you cannot do any substantial gainful activity because of your physical or mental condition. A physician must determine that your condition can be expected to result in death or to be of long, continued, and indefinite duration. You must also provide a signed Pacific Life Disability Certification form. If a scheduled preauthorized withdrawal is established, it is your responsibility to notify Pacific Life in the event that your condition no longer meets the definition of disabled according to IRC section 72(m)(7). This section does not apply if you have reached the age of 59 ½.

Check this box if the distribution(s) requested by this form is/are because of your disability and you have included a Pacific Life Disability Certification form which has been signed by a physician.

8 ALTERNATE DELIVERY/PAYEE INSTRUCTIONS Unless indicated below, the check will always be made payable to the contract owners and sent to the primary owner's address of record. Only complete this section if check is to be made payable to an alternate payee or if the check should be mailed to an alternate address for the primary owner. Acceptable third-party payees include financial institutions, trusts, and charities. NOTE: Individual third-party payees are not allowed. The owner's original signature is required for a check being mailed to an alternate address, or to a third-party payee (not applicable for checks payable to financial institutions for benefit of the owner). If distribution is to be treated as a qualified direct transfer, indicate the plan type and account number for the accepting institution. Qualified direct transfers can be set up for one-time withdrawal (partial or full) and scheduled withdrawals. For qualified direct rollovers, a Letter of Acceptance from the accepting financial institution will be required; please call the appropriate toll-free service number for Pacific Life provided on this form for additional information regarding the Letter of Acceptance. For qualified direct transfers and rollovers, once you reach RMD age, the entire amount of the RMD must be distributed prior to any direct transfer/rollover. If you request a direct transfer/rollover, it is your responsibility to ensure you have met your RMD requirement.

The Special Tax Information Notice provides important details about the taxation of your withdrawal and rollover options. If you have any questions regarding your options, Pacific Life recommends you work with a Financial Professional for assistance.

**C. Employee Self-Certification**

If your contract is exempt from the final 403(b) regulations, your employer does not have to approve this withdrawal/distribution request. If your contract is not exempt, your employer that sponsored this 403(b)/TSA contract MUST approve the transaction.

My contract is exempt from the final 403(b) regulations due to the following reason(s): (Select all that apply)

- I did not make any salary deferral contributions to this contract after December 31, 2004.
- My contract was issued with a 90-24 transfer initiated prior to September 25, 2007 and no additional contributions have been made.
- My employer that sponsored this contract no longer exists (i.e., out of business).

**11 SIGNATURE(S) AND CERTIFICATION**

Certain states require Financial Professionals to ensure that recommendations to you (including surrenders or withdrawals) are in your best interest and to determine that related standards are met. If this transaction was not recommended, such a determination would not be required by your Financial Professional.

If I am requesting a full surrender, I affirm that the original contract has been lost or destroyed. To the best of my knowledge, no one else has any rights, title, or interest in the contract and it has not been assigned, pledged or encumbered.

I understand that any distributions from my contract may be subject to withdrawal charges. I also acknowledge that withdrawals containing a taxable amount may be subject to federal and state income taxes, and if taken prior to age 59½, a 10% IRS additional tax may apply.

I agree to return all funds withdrawn if I exercise my right to cancel the contract within the free-look period.

I understand that withdrawals may reduce any death benefit.

If distributions other than qualified transfers are made from an IRA or qualified plan, I understand that they will be subject to income tax, and if taken prior to age 59½, a 10% additional tax may apply. I further understand that withdrawals from the qualified plan may be restricted by the plan document, information sharing agreement, or IRS and I should consult my Financial Professional.

If there is an active 72(t) or 72(q) preauthorized withdrawal program, I understand that any additional one-time distributions may subject all prior and succeeding distributions to the 10% additional tax. If I elect 72(t) or 72(q) payments, I bear the risk of any modification made and my source funds depleting (causing my payments to cease). Modifications may subject the series of 72(t) or 72(q) withdrawals to a 10% additional tax and may occur if **withdrawals from** the contract are made or 72(t)/72(q) withdrawals are increased, decreased, or stopped. I am fully responsible for all resulting tax consequences.

I understand that current tax law only permits one rollover distribution for all of my IRAs every 12 months. For purposes of this one-rollover-per-year limitation, all IRAs, including Roth, SIMPLE, and SEP IRA are aggregated, such that a rollover involving any one of them precludes a rollover involving any other account (except qualified plans) within the next year.

If I have elected a withdrawal due to disability, I certify that I am disabled and have provided a Disability Certification form from my physician stating that I am disabled according to the definition under IRC Section 72(m)(7). If I have elected a scheduled withdrawal, it is my responsibility to notify Pacific Life in the event that my condition no longer meets the definition of "disabled" according to IRC Section 72(m)(7).

If I have requested a withdrawal from a TSA/403(b) contract, I confirm that there is an information sharing agreement in place with Pacific Life and that Pacific Life may share information with my employer regarding activity on my contract.

If any withdrawal reduces the contract value to an amount less than the required minimum value as stated in the contract, Pacific Life may terminate the contract and pay the full withdrawal value. Payment of the full withdrawal value will end the contract and Pacific Life will have no further obligations under the contract.

**(For New York) Contracts with a Guaranteed Minimum Withdrawal Benefit (GMWB) rider:** Withdrawals in excess of the annual protected payment amount, called "excess withdrawals", will result in a permanent reduction in future guaranteed withdrawal amounts. Pre-Authorized withdrawals, or other withdrawals made while Pre-Authorized withdrawals are active on your contract, may also result in an excess withdrawal. If you are uncertain how an excess withdrawal will reduce or may have reduced your future guaranteed withdrawal amounts, then you may contact Pacific Life to obtain a personalized, transaction-specific calculation showing the effect of an excess withdrawal. If your request is

received prior to an excess withdrawal, the calculation will be based on the contract value as of the close of business on the day immediately preceding the day Pacific Life receives your request for the calculation. Actual future guaranteed withdrawal amounts may vary depending on the amount of the withdrawal and the contract value on the date your excess withdrawal is processed. If your request is received following an excess withdrawal, the calculation will show the actual effect of the excess withdrawal.

I agree that if I am providing this form to Pacific Life by email, it is as valid as the original. I also understand that an original signature is required for withdrawal amounts greater than \$250,000 (gross), if the check is payable to the contract owner(s) and mailed to an alternate address, or if an address change has occurred within the last 30 days.

- When to use this form:** Use this form to request a one-time withdrawal from your annuity contract or to request preauthorized withdrawals. For a one-time withdrawal from your annuity contract, complete Sections 1, 2, 4, 5, and 11. For preauthorized withdrawals, complete Sections 1, 3, 4, 5, and 11. If your contract is a TSA/403(b), your employer/third-party administrator must sign and complete Section 9.
- To complete this form:** Print clearly in dark ink. Provide requested information in full. An incomplete form may delay processing. Do not highlight any information submitted on this form. Paperwork submitted to Pacific Life is scanned into an imaging system and highlighting could make that information unreadable.
- Important information:** All requests must be received in good order before market close of the New York Stock Exchange to be processed the same business day. Standard market close is 4pm Eastern, Monday through Friday. This excludes certain holidays where the market may be closed or closes early.
- For help or questions:** Contact your Financial Professional or call Pacific Life Customer Service at (800) 722-4448. You can obtain additional copies of this form by visiting our website at [www.PacificLife.com](http://www.PacificLife.com).

**INSTRUCTIONS**

- 1 General Information:** Provide the contract owner's name, daytime telephone number, and annuity contract number.
- 2 One-Time Withdrawal:** Refer to your product prospectus for withdrawal minimums. Any amount up to the total account value, less outstanding debt, may be withdrawn on a one-time basis. A market value adjustment (MVA) may apply to withdrawals from the guaranteed investment options (GIOs). Withdrawals may be taken from qualified plans if allowed. If the full surrender box is checked, the cash surrender value will be as of the date all requirements are received in good order. For overnight delivery, shipping and handling charges will be deducted proportionately from all investment options. The amount of the charge may be considered to be a distribution and you will be fully responsible for all resulting tax consequences.
- 3 Preauthorized Withdrawal:** Refer to your product prospectus for withdrawal minimums. If this form is received by Pacific Life after the selected start date, the first withdrawal will be processed the following month on the date selected or the next business day if the date falls on a weekend or a holiday. (If no start date is selected, the first preauthorized withdrawal will be processed on the day all requirements are received in good order.) Payment will reflect deduction of taxes if withholding is selected (Section 4) and will be taken proportionally from all investment options if none selected. If the withdrawal is a percentage of contract value, withdrawals will be taken proportionally from all existing investment options relative to the account value in each option. Preauthorized withdrawals may be stopped or modified by contacting Pacific Life at least five days prior to the next withdrawal date. If the withdrawals are based on a 72(t)/72(q) election, any changes to the distribution amount may subject all prior and succeeding distributions to the 10% additional tax and you bear the risk of your source funds depleting and causing your payments to cease. The annual percentage amount is calculated as follows: on the effective date of the request, the contract value amount will be multiplied by the percentage and that amount will be divided by the frequency to determine the withdrawal amount. This calculation will be repeated at each frequency thereafter (for example, monthly, if monthly frequency is selected), using the contract value amount at that time.
- 4 Income Tax Withholding:** If not indicated, taxes will be withheld automatically based on the taxable amount and contract type. However, taxes may not be for 401a, 401k, Keogh, or custodial-owned contracts.  
**Note to Indiana Taxpayers:** Effective January 1, 2009, Indiana provides for county taxes to be withheld when state taxes are withheld. If you wish to withhold county taxes, please include completed and signed Form WH-4P (R2/8-08) which can be found on the Indiana Department of Revenue website. Please call Pacific Life Customer Service for instructions.
- 5 Check Amount:** If neither box is selected, Pacific Life will process a gross check amount, which reflects the deduction of taxes and any charges from the requested amount.
- 6 Source:** If this section is left blank, withdrawals will be taken proportionally from all existing investment options relative to the account value in each option. Total must equal either 100% or full dollar withdrawal amount. A GIO cannot be a source account for preauthorized withdrawals.
- 7 Disability:** Complete this section if the requested withdrawal(s) is(are) because of your disability. A Pacific Life Disability Certification form must also be included with this request.
- 8 Delivery Instructions:** If distributions are to be mailed to a third-party payee or alternate address, complete this section.
- 9 Electronic Funds Transfers (Optional):** If distributions are to be electronically transferred to the contract owner's checking or savings account, complete this section.
- 10 For TSA/403(b) Contracts Only:** Complete this section only if requesting a withdrawal/distribution from a TSA/403(b) contract. Employer's/third-party administrator's authorization and signature is required. Please note that 12/31/88 annuity balances may be distributed without the occurrence of a triggering event. The Special Tax Information Notice is available on the Pacific Life website at [www.PacificLife.com](http://www.PacificLife.com). Elective deferrals (i.e., employee contributions) received on or after 1/1/89 cannot be distributed prior to age 59½ or the occurrence of one of the events listed on this form. Hardship distributions may be subject to the 10% additional tax.
- 11 Signature(s) and Certification:** The form must be signed by the owner. In cases of joint ownership, both owners must sign. A Signature Guarantee may be required whenever we believe that verification of authenticity is necessary to protect you or us.
